

You've heard about it, you've seen it, and now it's here and available to all Villages of Kapolei Association members! Fresh Aloha Direct (FAD) is a community sustainable agricultural program designed by Aloun Farms to provide fresh healthy produce to consumers.

FAD is available for purchase on the web at [www.freshalohdirect.com](http://www.freshalohdirect.com). There is no long term commitment needed, you order when you need it and there will be convenient pickup at the Villages of Kapolei office on the 2<sup>nd</sup> and 3<sup>rd</sup> Wednesday of every month beginning in April.

As a member of FAD you will have access to our recipes, the latest news from the farm and special notices and discounts for our events. Sign up today, it's FREE and you will join a community of members interested in supporting Hawaii agriculture and eating locally grown produce fresh from the farms!
